From:	John Wilson, Veteran Services Officer
Action Item:	Request for names of veterans to be engraved on the "All Wars Memorial"
Date:	July 12, 2018

Dear Southborough Residents:

For several years, I have been gathering the records of Southborough veterans whose names should be engraved on the "All Wars Memorial" on the Town Common for their active duty military service since August 2, 1990. Engraving these names on this monument is one small way for our Town to show its deep appreciation for the service rendered to our country by our soldiers, sailors, airmen, marines and coast guard.

Already engraved on the monument are the names of Southborough natives who served in WWI, WWII, Korea and Vietnam. It is now long overdue to add the names of Southborough residents who have served in the active-duty military since August 1990.

Attached is a list of the personnel that has been gathered for engraving on the monument. There may be names that are missing. I am asking anyone who reads this to please notify me of anyone that they know who may be eligible and whose name is not on this list.

Eligibility is for any individual who was a member of the military as of August 2, 1990, received an honorable discharge and meets any of the criteria below:

- entered the military as a resident of Southborough
- was called to active duty as a resident of Southborough
- was deployed as resident of Southborough
- enrolled in a military academy or ROTC as a resident of Southborough and later entered military service upon graduation
- Reserve or National Guard who served more than 90 consecutive days on Active Duty (excluding Active Duty for Training).

Persons submitting a name, should include the veteran's discharge form DD214, Certificate of Release or Discharge from Active Duty, or certificate that the person is currently serving on Active Duty. **DEADLINE: Friday, August 31, 2018.**
